What we would like to Offer

To be part of a family run local Team and supporting an up and coming talented young road racer within the largest race series in the UK

We are very small in comparison to other Teams and would like the opportunity to develop the Team further with the backing of local business support. Levels of support can be varied and customised to reflect budget, full Hospitality packages can be arranged to suit also

Sponsorship Packages can be Designed:

Full Bike Livery – Customised to Clients Requirements

Leathers – Full Customised & Branded

Vehicle Livery – Graphics & Branding

Web Site – Advertising & Branding Links

Press & News – Monthly news letters & accreditations

Clothing – Branded Logos & Customised

Banners – Sail Banners within the paddock

Grid Girls – Promotion Girls within the Paddock

BSB Passes – Privileged Full Season Weekend Passes

Hospitality - To all visitors to a Budget

Logos – Branding on Machines

The costs of Racing are extremely expensive with 12 rounds of the BSB our budget runs into thousands of pounds every weekend

Any of the above can be included within a Sponsorship package, its difficult to put a price on support, its all depends on how much your budget will allow

All support packages are fully 100% tax free and will be fully receipted for auditable accounts
